Kamber Construction Capability

The Kamber advantage

Welcome to Kamber Construction—
Your Trusted Partner in Building
Dream Homes.

At Kamber Construction, we specialize in designing and constructing high-quality residential homes that blend style, function, and craftsmanship.

With over a decade of experience in the industry, we are dedicated to delivering exceptional results on time and within budget, ensuring each project is tailored to meet the unique needs and visions of our clients.

From custom-built homes to renovations, our team of skilled professionals is committed to providing personalised service every step of the way, making your dream home a reality. Let's build something great together.

Our services & capability

A core value of Kamber is the ability to be adaptable without compromise. We offer a variety of disciplines to service the requirements of our clients.

1. New Construction

Single-family homes

Multi-family homes (Duplexes)

Custom-built homes

2. Renovations & Remodeling

Home extensions

Basement finishing

Kitchen and bathroom remodels

House remodels

Roof replacements or upgrades

“ We worked with Kamber Construction on the recent renovation of our kitchen and bathroom and are extremely happy with both the process and the outcome. Dorian and his young and dynamic team of subcontractors were very efficient, with the job completed on a tight timeframe, minimising the period we were without a kitchen. Dorian is a pleasure to work with, is incredibly organised and has very high expectations around the quality of his subcontractors work. He is also very open for discussion and collaboration and is always looking for the best outcome. We are delighted with our beautiful kitchen and could not have asked for a better experience on site, Thank you!”

Antonia Pisenti,
Woolahra client

Our team

From humble beginnings, Jordan and Dorian have turned their passion for building into a thriving business.

Kamber is grounded in the belief that there is no substitute for hard work, no shortcuts when it comes to quality, and no greater reward than doing what they love.

Our bond as brothers translates into a shared vision for quality, attention to detail, and a dedication to bringing our clients' dreams to life. Together, we're not just building homes—we're building a legacy.

We know that hard work and dedication would be the keys to turning dreams into reality. For years, we worked tirelessly learning the trade, working long hours on construction sites, and gradually gaining the skills and knowledge we needed to become great builders.

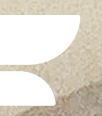

As brothers, we've always believed in the power of teamwork and the strength that comes from working together. Our shared passion for building has driven us to unite our talents and create something truly special. With a commitment to excellence, we approach each project with the goal of delivering the highest quality results, drawing from our individual strengths and learning from each other along the way. Setting these standards we hope inspire the next generation.

Delivery & experience

As a builder with extensive experience in constructing homes from the ground up, we take great pride in not only laying solid foundations but also in delivering high-quality finishes that enhance the beauty and functionality of each space.

From the first brick to the final touches, we ensure that every detail from flooring to cabinetry, reflects attention to detail. Our commitment to using premium materials and skilled techniques guarantees that every home we build offers both lasting durability and a refined aesthetic, creating spaces that stand the test of time.

Community

As builder's connected to the community, we are honoured to sponsor the South Maroubra Surf Boat as it is part our local surf club.

Supporting the surf club allows us to give back to the community that has supported our business, while helping to nurture young talent and promote a healthy, active lifestyle. The club's values of teamwork, perseverance, and respect align with our own, and we are proud to contribute to its growth and success. It's a privilege to be part of something that brings people together and strengthens the bonds of our coastal community.
